## Nepal's Disaster Management Takes a Step Forward with New Monthly Dialogue Commitment

On 27th April, 2025, inaugural "Griha Mantri Sanga Bipad Sambad" dialogue concluded successfully, with 61 participants delivering concise, solution-oriented recommendations focused on pre-monsoon preparedness and other contextual issues. Impressed by the quality of feedback, the Home Minister directed that this dialogue be held regularly on a monthly basis. He also instructed NDRRMA to document the recommendations and issues raised during today's session and to report on the progress made in the next dialogue. Furthermore, he emphasized that NDRRMA's performance will be evaluated based on how effectively and promptly these recommendations are addressed.
