Conference, Workshop, Seminar, Fellowship, Training ,Program etc.

International Seminar on Geography in the 21st Century

The Institute of Indian Geographers (IIG), in collaboration with the Department of Geography & Applied Geography, University of North Bengal, invites researchers, educators, and professionals to participate in its International Seminar on “Geography in the 21st Century: Navigating Trends, Tackling Challenges” from 19–21 February 2026. The event focuses on global environmental issues, sustainable development, and technological innovations shaping modern geography.

Location: Siliguri, West Bengal, India

Deadline: 31 December, 2025

Link for more information: <https://www.scribcom/document/872882825/IIG-NBU-2025>

Russell E. Train Fellowship Program

The World Wildlife Fund invites applications for the Russell E. Train Fellowship Program to support doctoral studies for current or aspiring university faculty in Africa, Asia, Latin America, and the Caribbean. The fellowship fosters conservation research, capacity building, and engagement with local communities. Fellows may receive up to \$30,000 per year for up to three years, with research addressing climate, conservation, sustainable development, and related fields.

Location: Africa, Asia, Latin America, Caribbean

Deadline: 18 December, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/apply-now-russell-e-train-fellowship-program/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Capacity Building for Solar-Powered WASH Systems

TUNICEF invites qualified partners to strengthen global capacity in designing, installing, and operating solar-powered water systems. The program provides technical helpdesk support and structured training courses—basic, advanced, operation & maintenance, and youth-focused—delivered online and in-person in English and French. The initiative targets WASH and environmental sustainability, supporting climate-resilient infrastructure in schools, healthcare facilities, and communities while ensuring long-term system reliability and capacity building.

Location: Nepal (Gandaki Province)

Deadline: 20 November 2025

Link for more information: <https://www2.fundsforngos.org/environment/call-for-expression-of-interest-capacity-building-for-solar-powered-wash-systems-3/>

Applications Open for 2026 FAO Fellows Programme

The Food and Agriculture Organization (FAO) is inviting applications for its 2026 Fellows Programme, targeting PhD students, researchers, and professors with advanced technical expertise. Fellows will contribute to FAO's mission of achieving food security and sustainable agri-food systems aligned with the UN Sustainable Development Goals. Assignments are available at FAO's regional, sub-regional, country, liaison offices, and headquarters.

Location: Global

Deadline: 1 January, 2026

Link for more information: <https://www.fao.org/employment/young-talent-programme/fellows-programme/en>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

ICON Fellowship 2025–2027

The ICON (iCON) Fellowship is a fully funded, 16-month residential program for youth from the Eastern Himalayas (India, Nepal, Bhutan, Bangladesh). Fellows work on grassroots climate adaptation, ecological restoration, rewilding, regenerative agriculture, and community-based environmental leadership. Through immersive training and community projects, participants emerge as entrepreneurial leaders committed to environmental resilience.

Location: Eastern Himalayas (Nepal, India, Bhutan, Bangladesh)

Deadline: Open

Link for more information: <https://nepalclimatehuorg/opportunities/icon-fellowship-20252027/>

Youth Future Summit 2026 – Switzerland

The Youth Future Summit 2026, organized by the Center for International Policy and Sustainability (CIPS), offers a global platform for young leaders (ages 17–46) to engage on leadership, climate action, AI, sustainable development, governance, and innovation. Participants will experience guided visits to the UN Headquarters, CERN, and Geneva-based policy institutions, attend high-level dialogues, workshops, and masterclasses, and network with changemakers from over 120 countries. Fully and partially funded opportunities cover travel, accommodation, meals, visa support, and summit participation for selected delegates.

Location: Geneva, Switzerland

Deadline: 05 December, 2025

Link for more information: <https://thecips.org/yfs2026/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

“Make Our Planet Great Again” Visiting Fellowship Program 2026

The Make Our Planet Great Again (MOPGA) 2026 initiative, funded by the French Ministry for Europe and Foreign Affairs (MEAE) and implemented by Campus France, invites international early-career researchers to conduct a 12-month research project in France. Eligible research areas include Earth system sciences, climate change and sustainability, energy transition, societal and environmental challenges, and One Health approaches. Fellows receive a monthly stipend of €2,500, a one-time installation grant of €500, and health coverage. The program fosters collaboration with leading French laboratories and strengthens contributions to climate and environmental research.

Location: France

Deadline: 12 December, 2025

Link for more information: <https://www.campusfrance.org/en/mopga-2026>

WWF Current and Aspiring University Faculty Fellowship 2026–2027

The WWF Current and Aspiring University Faculty Fellowship 2026–2027, part of the Russell E. Train Education for Nature Program (EFN), supports emerging and current university faculty pursuing or planning PhDs in conservation and sustainable development. Fellows receive up to US\$30,000 per year for up to three years to strengthen research and teaching capacity. The fellowship encourages innovative, practical solutions addressing conservation challenges, engaging local communities, and advancing sustainable development goals across WWF priority countries.

Location: Global

Deadline: 18 December, 2025

Link for more information: <https://www.worldwildlife.org/our-work/science/russell-e-train-education-for-nature/russell-e-train-fellowships/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Dr. Harka Gurung – New ERA Fellowship Program

New ERA, Nepal's first non-profit research organization, invites applications for the Dr. Harka Gurung – New ERA Fellowship Program, established in memory of Dr. Harka Bahadur Gurung. Since 2005, the fellowship has supported Master's students across Nepal conducting field-based research in areas like climate change, disaster risk reduction, governance, gender, and social inclusion. The program provides up to NPR 50,000 along with technical mentorship and research guidance.

Location: Nepal

Deadline: Open

Link for more information: <https://www.newera.com.np/programs/fellowship-program>

CCP Fellowship Programme 2026

The Institut für Auslandsbeziehungen (ifa) invites applications for the CCP Fellowship Programme 2026, offering civil society professionals the chance to gain international experience, expand networks, and strengthen intercultural skills. Funded by the German Federal Foreign Office, the fellowship supports individuals working in policy, media, human rights, sustainable development, climate justice, and democracy, through placements in Germany or partner countries for 2–3 months with full financial and professional support.

Location: Germany and CCP Partner Countries

Deadline: 10 December, 2025

Link for more information: <https://www.ifa.de/en/funding/ccp-fellowships/>

Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Vulnerability and Risk Assessment Methods – A Field Course in South Asia

Organized by the University of Copenhagen, this 4-week course provides practical training in disaster risk reduction, focusing on vulnerability and capacity assessments. The program includes face-to-face sessions, a field trip to a South Asian country, and the use of IFRC's VCA tool in real-world settings. It is ideal for professionals seeking hands-on DRR planning skills.

Location: South Asia (Nepal, India, Bangladesh, or Sri Lanka)

Deadline: 08 December, 2025

Link for more information: <https://reliefweint/job/4166559/regional-leader-south-asia-pacific>

Water Resources and Environmental Management M.S Programme 2026

The WATENV Master's programme at Leibniz University Hannover, Germany, is a research-oriented, interdisciplinary course focusing on sustainable water resources management, environmental hydraulics, and sanitary engineering. Delivered in English over two years, it equips graduates with expertise for leadership roles in universities, research institutions, consultancies, and international organizations tackling global water challenges. DAAD EPOS scholarships are available.

Location: Germany, Hannover (Leibniz University Hannover)

Deadline: 15 January, 2026

Link for more information: <https://www.fbg.uni-hannover.de/de/studium/studienangebot-der-fakultaet/water-resources-and-environmental-management-watenv>

UNESCO PhD Scholarship 2025–2026 for Developing Countries

The ANSO–CAS–TWAS/UNESCO PhD Scholarship 2025–2026 is a fully funded opportunity for exceptional students from developing countries to pursue doctoral studies in China. Jointly offered by ANSO, CAS, and TWAS/UNESCO, the program supports up to 40 PhD scholars for up to four years. The scholarship covers tuition, a monthly stipend (CNY 6,000–7,000), health insurance, travel, and visa support. Applicants must demonstrate academic excellence, innovative research proposals, and a commitment to contributing to global scientific advancement.

Location: China

Deadline: 31 January 2026

Link for more information: <https://grantsdatabase.org/2025/10/19/anso-cas-twas-unesco-phd-scholarship-2025-2026-for-developing-countries-fully-funded/>

Scholarship

Yenching Academy Scholarship 2026 at Peking University, China (Fully Funded)

The DAAD scholarships support foreign graduates from developing countries to pursue Masters or PhD degrees in development-related fields at German universities. Scholarships cover monthly stipends, insurance, and travel costs. Candidates must have a Bachelor's degree, professional experience, and meet language requirements.

Location: Beijing, China

Deadline: December, 2025

Link for more information: <https://opportunitiespedicom/yenching-academy-scholarship-2026/>

University of Antwerp – Master's in Development Studies

The University of Antwerp's Institute of Development Policy and Management (IOB) offers a one-year master's program in development studies with specializations in poverty, climate change, conflict, good governance, and sustainable development. Scholarships are available for students from Africa, Asia, and Latin America, including South Asia, to study at Belgian universities. The ICP Connect scholarship supports eligible candidates in advancing their expertise and contributing to sustainable development initiatives globally.

Location: Antwerp, Belgium

Deadline: 01 March, 2026

Link for more information : <https://www.uantwerpen.be/en/about-uantwerp/faculties/institute-of-development-policy/development-studies/master-development-studies/>

Scholarship

M.S Landscape Ecology and Nature Conservation

This research-oriented, transdisciplinary Master's program combines natural sciences with humanities and economics to train students in landscape ecology and nature conservation. It offers flexibility through elective modules and prepares graduates for careers in research, conservation organizations, environmental consultancy, and administration. The program is taught mainly in English, lasts 4 semesters, and requires a relevant bachelor's degree.

Location: Germany, Greifswald

Deadline: 15 December, 2025

Link for more information: <https://www.uni-greifswalde/en/study/prior-to-studies/international-degree-courses/master-degree-course-landscape-ecology-and-nature-conservation/>

Master of Science – Tropical Hydrogeology and Environmental Engineering

The TropHEE programme at Technical University of Darmstadt is a full-time, four-semester MSc course taught entirely in English. It focuses on applied geosciences, specifically hydrogeology and environmental engineering, tailored to international development cooperation. Students choose between two specializations—hydrogeology or environmental engineering—with compulsory modules including fieldwork, project seminars, and research concept training. The programme culminates in a Master's thesis.

Location: Germany, Darmstadt (Technical University of Darmstadt)

Deadline: 15 December, 2025

Link for more information : <https://www.geo.tu-darmstadt.de/trophee/index.en.jsp>

Scholarship

National Taiwan University Scholarships 2026 in Taiwan (Fully Funded)

National Taiwan University offers fully funded scholarships for international students pursuing Master's or PhD degrees. Covering tuition, a monthly stipend, and full access to academic resources, this opportunity is ideal for high-achieving students ready to join a vibrant and diverse research environment in one of Asia's top universities.

Location: Taipei, Taiwan

Deadline: 13 November, 2025

Link for more information: <https://opportunitiespedicom/national-taiwan-university-scholarships-2026/>

Oxford University Clarendon Scholarships 2026 – Fully Funded

The University of Oxford offers the Clarendon Scholarships 2026, providing fully funded postgraduate opportunities for Master's and DPhil (PhD) programs across all academic disciplines. Open to applicants of all nationalities, the scholarship covers full tuition, college fees, and living expenses. Applicants are automatically considered when they apply to Oxford by the course deadline, creating a chance to join a diverse community of scholars and benefit from exclusive academic and cultural events.

Location: Oxford, United Kingdom

Deadline: December 2025

Link for more information: <https://opportunitiespedicom/oxford-university-clarendon-scholarships-2026/>

Scholarship

Joint MSc in Geography of Environmental Risks and Human Security – DAAD Scholarship

A two-year interdisciplinary Master's programme jointly offered by the United Nations University – Institute for Environment and Human Security (UNU-EHS) and the University of Bonn. It equips students with theoretical, methodological, and practical skills in environmental risks, human security, vulnerability assessment, and disaster management. The programme emphasizes learning in a multicultural environment, developing expertise related to the Global South, and offers engagement opportunities with the UN system and international organizations. DAAD EPOS fully-funded scholarships are available for eligible candidates from developing countries with at least two years of relevant work experience.

Location: Bonn, Germany

Deadline: 15 December, 2025

Link for more information: <https://unu.edu/ehs/learning/msc-geography-environmental-risks-and-human-security/>

University of Antwerp – Masters Program in Development Studies

The University of Antwerp's Institute of Development Policy and Management (IOB) offers a one-year master's program with three specializations in development studies, covering topics such as poverty, climate change, conflict, good governance, and sustainable development. Scholarships are available for students from Africa, Asia, and Latin America to support their studies at Belgian universities, including Antwerp's IOB.

Location: Antwerp, Belgium

Deadline: 01 March, 2026

Link for more information: <https://www.uantwerpen.be/en/about-uantwerp/faculties/institute-of-development-policy/development-studies/master-development-studies/>

Earth Prize Environmental Sustainability Competition for Youth

The Earth Prize invites students aged 13–19 worldwide to submit innovative projects addressing environmental sustainability. Teams of up to five students, supported by an educator, can propose local, national, or global solutions. Winners receive USD 12,500 to implement their ideas, with access to mentoring, online resources, and a global platform to scale solutions and foster the next generation of environmental leaders.

Location: Global

Deadline: 31 January, 2026

Link for more information: <https://www2.fundsforngos.org/sustainable-development/submissions-open-for-the-earth-prize-environmental-sustainability-competition/>

House of No Waste Competition 2025

Caritas Nepal's NLRP II program invites master's students to apply for research grants supporting projects that improve food security and climate resilience among smallholder farming communities in Nepal. Research areas include pesticide use in banana and vegetable farming, effectiveness of organic manures, and low-cost postharvest technologies. Grants of NRs 150,000 cover fieldwork, data collection, and dissemination, with results due by June 2026.

Location: Global

Deadline: 01 December, 2025

Link for more information: <https://www2.fundsforngos.org/sustainable-development/entries-open-for-house-of-no-waste-competition/>

Apply for a Purpose Earth Grant and Mentorship Program

Purpose Earth offers grants up to \$10,000 along with mentorship to individuals and organizations with purpose-driven projects addressing environmental protection, community activation, or cultural collaboration. Projects must demonstrate long-term sustainability, have a clear implementation plan, and show significant impact from the grant. Applicants must submit a professional reference letter and a public YouTube video explaining their project. Certain countries are ineligible due to sanctions.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/apply-for-a-purpose-earth-grant-and-mentorship-program/>

World Sustainability Award 2026 – \$150,000 Prize for Global Impact

The Restoration Returns Grants Program supports community-led initiatives that restore ecosystems while benefiting local livelihoods and natural resources. It targets restoration projects involving reforestation, agroforestry, sustainable farming, soil improvement, peatland rewetting, and other techniques. Grants of up to USD 17,000 help scale and enhance ongoing or new restoration efforts with a focus on high environmental and social returns. Priority is given to civil society groups and Indigenous Peoples from developing and least developed regions.

Location: Basel, Switzerland

Deadline: December 15, 2025 (Nomination Form)

Link for more information: <https://grantsdatabase.org/2025/08/05/apply-now-for-the-world-sustainability-award-2026/>

Future Conservationist Awards

The Mittal Institute Climate Grants 2025–26, offered by the Lakshmi Mittal and Family South Asia Institute at Harvard University, provide up to \$15,000 to support faculty-led research projects or interdisciplinary workshops addressing climate challenges in South Asia. Grants focus on energy transition, food systems, or law and policy for climate adaptation, emphasizing practical applications and transformative potential. Projects must involve Harvard faculty and may include regional collaboration. Recipients are expected to participate in Mittal Institute activities and present at Institute events or the annual Symposium.

Location: low and middle-income countries

Deadline: 09 January 2026

Link for more information: <https://www.conservationleadershipprogramme.org/awards-opportunities/team-awards/future-conservationist-award/>

Pure Earth Opportunity Fund: Grants for Lead Poisoning Prevention

Pure Earth, a global nonprofit dedicated to reducing pollution-related health risks, has launched the Opportunity Fund to support short-term, high-impact projects addressing lead exposure in low- and middle-income countries. Grants ranging from USD \$10,000 to \$100,000 are available for initiatives focusing on lead source assessment and mitigation, excluding paint-related activities. Eligible applicants include NGOs, CSOs, universities, and other non-profit entities, with preference given to organizations based in the project location.

Location: Global (Priority to low- and middle-income countries)

Deadline: December 1, 2025

Link for more information: <https://www2.fundsforngos.org/health/submit-applications-for-pure-earth-opportunity-fund/>

Pulitzer Center Writing Contest – Civic Engagement for Students

The Pulitzer Center invites K–12 students worldwide to participate in its Writing Contest, encouraging civic engagement and global awareness. Participants write letters to local elected officials highlighting issues such as climate change, global health, human rights, AI, and peace, proposing actionable solutions. Winners receive cash prizes, publication, and recognition on the Pulitzer Center platform, while all entrants gain experience in persuasive writing, global citizenship, and advocacy, promoting informed action on underreported issues impacting local and global communities.

Location: Global

Deadline: 14 November, 2025

Link for more information: <https://pulitzercenter.org/builder/lesson/local-letters-global-change-pulitzer-center-writing-contest>

Wildlife Acoustics Grant Program for Wildlife Research and Conservation

The Wildlife Acoustics Grant Program supports wildlife research, habitat monitoring, and conservation initiatives. Funding opportunities include Standard Product Grants (up to \$12,000 in equipment), Software-Only Grants (Kaleidoscope Pro licenses), and Travel Grants (up to \$1,000 for conferences). Eligible applicants are researchers and conservationists (excluding U.S. and non-U.S. government agencies) working on bats, birds, amphibians, and other terrestrial wildlife.

Location: Global

Deadline: 15 November, 2025

Link for more information: <https://www2.fundsforngos.org/research/wildlife-acoustics-grant-program-for-wildlife-research-and-conservation/>

Center “Our Work/Environment” Reporting Grant

The Pulitzer Center is offering grants for journalists to report on climate change impacts on workers and workplaces worldwide. The “Our Work/Environment” initiative supports stories highlighting real-world risks, labor rights, and sustainability practices across sectors like manufacturing, agriculture, and fast fashion. Freelance and staff journalists from around the globe are encouraged to apply, with preference for regions such as Southeast Asia, Europe, Africa, and South America

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/livelihood/our-work-environment-reporting-grant-program/>

DRK Foundation Grant Program – Early Stage Social Impact Organizations

The Draper Richards Kaplan (DRK) Foundation supports early-stage social impact organizations addressing critical social and environmental challenges with innovative and scalable solutions. Eligible applicants include independent nonprofits, mission-driven for-profits, and fiscally sponsored organizations. Selected organizations may receive up to USD 300,000 over three years, along with operational and strategic support to scale impact and strengthen leadership, operations, and community engagement.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/environment/entries-open-for-drk-foundation-grant-program/>

Nature Intelligence for Business Grand Challenge

The Nature Intelligence for Business Grand Challenge invites innovators worldwide to develop practical solutions that make nature-related assessments more accessible for small and medium enterprises (SMEs). The challenge encourages tools, digital platforms, and processes that simplify data collection, interpretation, and reporting on environmental impacts. Supported by Conservation X Labs, TNFD, and UNDP, with funding from Germany's International Climate Initiative, winners gain mentorship, technical support, market access, and a share of the USD 100,000 prize pool.

Location: Global

Deadline: 24 November, 2025

Link for more information: <https://www.conservationxlabs.com/natureintelligence>

D-Prize Global Challenge – Seed Grants for Social Ventures

The D-Prize Global Challenge empowers changemakers to scale evidence-based interventions that improve lives in low- and middle-income countries. The program supports entrepreneurs, nonprofits, social enterprises, and for-profit ventures in sectors such as health, water, agriculture, energy, livelihoods, education, and public services. Selected participants receive seed grants of up to \$20,000 to launch pilot projects, test distribution models, and expand proven solutions. The initiative prioritizes practical, high-impact projects aimed at reducing poverty and enhancing quality of life.

Location: Global

Deadline: 23 November, 2025

Link for more information: <https://d-prize.org/>

Call for Concept Notes: Global Framework on Chemicals Fund

The Global Framework on Chemicals Fund (GFC Fund), hosted by UNEP, invites governments and civil society networks to submit concept notes for projects advancing safe and sustainable chemicals and waste management. Projects should strengthen national institutional capacity, target high-impact sectors (e.g. electronics, textiles, agriculture, construction), and demonstrate potential for scale and sustainability. Selected concept notes will be invited to submit full proposals.

Location: Global

Deadline: 15 December, 2025

Link for more information: <https://www2.fundsforngos.org/health/call-for-concept-notes-global-framework-on-chemicals-fund/>

Vacancy and Funding Opportunities

Call for Project Proposals for GEF's Global Biodiversity Framework Fund (New)

The Government of Nepal, Ministry of Finance, Foreign Aid Coordination Division invites all eligible agencies to submit project proposals for utilizing the remaining allocation of USD 10,89,555 from the Global Environment Facility's (GEF) Global Biodiversity Framework Fund (GBFF). Proposals must align with the fund's thematic priorities and follow the national budget system. Selected projects will receive funding through GEF to support biodiversity conservation and related environmental initiatives across Nepal.

Location: Nepal

Deadline: 30 November, 2025

Link for more information: <https://mof.gov.np/content/1647/notice-about-submission-of-project-proposal-for/>

Request for Proposal – Mid-Term Evaluation of IALVC Development Project (New)

The Nepal National Social Welfare Association (NNSWA), in collaboration with UNICEF Nepal, invites Expressions of Interest (EOI) from qualified consultants or firms for two assignments: revising and updating climate change impact scenarios across key sectors, and developing a child-centered climate change calibrated risk management strategy. The consultancy aims to strengthen community resilience and integrate child-focused approaches in climate adaptation and risk management planning.

Location: Lalitpur, Nepal

Deadline: 19 November, 2025

Link for more information: <https://www.jobsnepal.com/request-for-proposal-rfp-for-mid-term-evaluation-140038>

Vacancy and Funding Opportunities

Request for Proposal – Sub-Contracting on Early Actions for Climate Resilience and Adaptation

Local Initiatives for Biodiversity, Research, and Development (LI-BIRD) invites qualified and experienced firms to submit proposals for sub-contracting on early actions relevant to resilience and adaptation under the RAIN Programme in Rajdevi and Sarlahi of Madhesh Province. The initiative, implemented with DCA and PIN support and funded by FCDO/BEK, focuses on strengthening community resilience, adaptation, and inclusion through sustainable resource management and climate action.

Location: Rajdevi and Sarlahi, Madhesh Province, Nepal

Deadline: 12 November, 2025

Link for more information: <https://www.jobsnepal.com/request-for-proposal-rfp-for-sub-contracting-on-early-actions-relevant-to-resilienceadaptation-at-rajdevi-sarlahi-of-madhesh-province-of-rain-programme-140152>

Consultancy for Local-Level Climate Change Policy Formulation (New)

Rural Development Centre (RDC) Nepal, a non-profit organization focused on humanitarian assistance, community development, and environmental protection, invites consultants or agencies to provide technical support for formulating climate change and disaster risk reduction policies at the local/municipal level. The consultancy will assess existing legislations, identify gaps, facilitate multi-stakeholder workshops, and develop a policy/legislative document to strengthen climate resilience, sustainability, and integration of climate considerations into local development planning in Chandrapur and Gujara municipalities.

Location: Rautahat, Nepal

Deadline: 11 November, 2025

Link for more information: <https://www.jobsnepal.com/terms-of-reference-tor-for-consultancy-services-on-local-level-policies-formulation-on-climate-change-139917>

Vacancy and Funding Opportunities

Acoustics Grant Program for Wildlife Research and Conservation

Wildlife Acoustics offers grants to support wildlife research, habitat monitoring, and conservation. Funding includes product grants (up to \$12,000 in equipment), software-only grants, and travel grants (up to \$1,000) for early-career researchers. Eligible applicants are individual scientists and conservationists, excluding government agencies, aiming to enhance global conservation efforts.

Location: Global

Deadline: 15 November, 2025

Link for more information: <https://www2.fundsforngos.org/research/wildlife-acoustics-grant-program-for-wildlife-research-and-conservation/>

Consultant for Mainstreaming Biodiversity Finance (New)

UNDP Nepal is seeking an individual consultant to support the BIOFIN initiative on mainstreaming biodiversity finance. The consultant will work as per the Terms of Reference (ToR) to assess and integrate biodiversity considerations into financial planning, policies, and investments over a period of 170 days, from 1 December 2025 to 31 October 2026. The assignment aims to strengthen Nepal's capacity to mobilize finance for biodiversity conservation and sustainable development.

Location: Nepal

Deadline: 20 November 2025

Link for more information: https://procurement-notices.undp.org/view_negotiation.cfm?nego_id=40439

Vacancy and Funding Opportunities

Global Nature Intelligence for Business Grand Challenge (New)

Conservation X Labs, in partnership with TNFD and UNDP, invites bold solutions that empower small and medium enterprises (SMEs) to understand, assess, and act on their relationship with nature. Funding between USD 5,000–20,000 per finalist supports practical, scalable tools or platforms that simplify nature intelligence for SMEs, including risk assessment, dependency evaluation, and data reporting. Solutions should be usable in low-connectivity environments and support global integration into larger corporations' nature-related reporting.

Location: Global

Deadline: 24 November, 2025

Link for more information: <https://www.undp.org/nature/press-releases/nature-intelligence>

Call for Quotation – Community-Based Disaster Risk Reduction Project (New)

Conscious Society for Social Development (CSSD) Kailali invites sealed quotations from VAT-registered suppliers, firms, and companies for the supply of materials required for the Community-Based Disaster Risk Reduction Project implemented in partnership with World Vision International Nepal and funded by MOFA Japan and World Vision Japan. Interested firms must submit quotations adhering to the specified terms, quality standards, and documentation within the given deadline.

Location: Kailali, Nepal

Deadline: 20 November, 2025

Link for more information: <https://www.jobsnepal.com/katashana-aahavana-samabnathha-sacana-140172>

Vacancy and Funding Opportunities

Implementation of "Enhancing Agricultural Resilience and Strengthening Value Chains for Smallholder Farmers" (New)

UNDP Nepal invites experienced and interested NGOs/CSOs, as specified in the Terms of Reference (ToR), to submit proposals for implementing activities that enhance agricultural resilience and strengthen value chains for smallholder farmers in Jumla and Bajura. Eligible organizations should have proven experience in soil fertility management, cattle shed improvement, Farmer Field School, agri-enterprise development, water resource management, climate-smart agriculture, construction of cold rooms and collection centers, and crop cultivation in protected structures.

Location: Jumla and Bajura, Nepal

Deadline: 21 November, 2025

Link for more information: <https://www.undp.org/nepal/procurement?fbclid=IwZXhObgNhZWOCMTAAynJpZBExMTIiWWZrNGJlU3Q3V2VBNXNyGMGYXBwX2lkEDlyMjAzOTE3ODgy>

Energy Usage Review & Renewable Energy Planning for SMEs (New)

DAI Global LLC, implementing the UK-funded Nepal in Business-Growth Advisors (NiB-GA) programme, invites qualified firms or experts to provide consultancy services for energy usage review and energy mix planning for partner SMEs. The assignment focuses on assessing current energy consumption, identifying cost-effective and sustainable alternatives, and recommending a roadmap for renewable energy adoption, with emphasis on solar solutions and electrification, to enhance productivity, competitiveness, and ESG compliance of SMEs in Nepal.

Location: Nepal

Deadline: 14 November, 2025

Link for more information: <https://www.jobsnepal.com/terms-of-reference-2-energy-usage-review-and-energy-mix-planning-for-partner-companies-of-nib-ga-140048>

Vacancy and Funding Opportunities

Vacancy Announcement – Various Positions at LI-BIRD (New)

Local Initiatives for Biodiversity, Research, and Development (LI-BIRD), a leading non-profit organization based in Nepal, invites applications for multiple positions under the project “Upscaling Pollination to Enhance Biodiversity and Human Welfare in Nepal.” The project, supported by the UK Government’s Darwin Initiative, focuses on pollinator conservation, biodiversity enhancement, and sustainable livelihoods. LI-BIRD offers an inclusive and supportive working environment promoting professional growth and diversity.

Location: Pokhara, Lalitpur, Jajarkot, West Rukum, Tanahun, Birendranagar and Surkhet, Nepal

Deadline: 21 November, 2025

Link for more information: <https://www.jobsnepal.com/various-positions-140181>

Vacancy for Multiple Positions at Jan Jagaran Youth Club (JJYC) Bara (New)

Jan Jagaran Youth Club (JJYC) Bara, a well-established youth-led NGO focusing on empowering rural communities through inclusive education, WASH, GEDSI, DRR, climate change, and livelihood programs, invites applications for four positions under its aquaculture/fishery project. Openings include Aquaculture Specialist, Aquaculture Field Coordinator, Aquaculture Trade Coordinator, and Admin & Finance Officer. Selected candidates will support production, market linkages, field coordination, and administrative functions across Bara, Rautahat, and Sarlahi districts.

Location: Bara, Nepal

Deadline: 11 November, 2025

Consultancy Services for Mustard Oil Processing and Cooperative Assessment (New)

Nepal Agriculture Cooperative Central Federation Ltd. (NACCFL), the apex body for over 1,300 agricultural cooperatives serving 1.2 million farmers, invites proposals from qualified Nepalese individuals and firms for consultancy services. Under the GAFSP project in Bardiya, the consultancy will provide technical assistance to assess cooperatives and evaluate mustard oil processing facilities, recommending improvements for scaling up. The initiative focuses on climate-resilient agriculture, livelihood enhancement, food and nutrition security, and empowerment of marginalized households.
