A. Conference, Workshop, Seminar, Fellowship, Training ,Program etc.

International Conference on Environment and Life Science (EUCELS)

The conference provides a platform for professionals in environment and life sciences to exchange knowledge, discuss current technologies, and explore solutions applied globally. Participants from research, academia, industry, and government sectors are expected to attend, fostering collaboration and insight into international practices.

Location: Bharatpur, Nepal

Deadline: 10 October, 2025

Link for more information: <https://www.allconferencealert.com/event/1402345>

Ocean Reporting Fellowships (3rd Cohort) – Pulitzer Center

The Pulitzer Center invites journalists worldwide to apply for its 2025–2026 Ocean Reporting Fellowship, providing up to a year to research and produce in-depth or investigative stories on ocean-related issues. Fellows focus on topics such as overfishing, marine protected areas, climate impacts, and underreported areas like deep-sea mining and marine carbon removal. The fellowship offers financial support, mentorship, and training, with a special emphasis on applicants from the Global South.

Location: Global (with regional focus on Asia–Pacific, East Africa, and Latin America)

Deadline: 12 September, 2025

Link for more information: <https://www2.fundsforngos.org/media/applications-open-for-ocean-reporting-fellowships-3rd-cohort/>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

International Conference on Natural Science and Environment (ICONSE-25)

ICONSE-25, organized by the International Alliance for Academic Research (IAAR), will take place on 7th-8th November 2025 in Kathmandu. This hybrid event offers a platform for researchers, students, professionals, and policymakers to share innovations in natural science and environment. Attendees benefit from networking, journal publication opportunities, and SDG-aligned research discussions.

Location: Kathmandu, Nepal

Deadline: 13 October, 2025 (Paper Submission) 23 October, 2025 (Final Registration)

Link for more information: <https://iaarresearch.com/conf/index.php?id=3260890>

20th International Conference on Soil, Water, Air, Energy, Ecology and Environment (ICSWAEEE 2026)

ICSWAEEE 2026 aims to unite leading researchers, academics, and scholars to explore and present innovative studies across environmental domains including soil, water, air, energy, ecology, and sustainability. The conference encourages interdisciplinary dialogue and offers opportunities for publication in special journal issues through peer-reviewed proceedings.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information:

https://waset.org/soil-water-air-energy-ecology-and-environment-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

LAF Fellowship for Innovation and Leadership 2026–27 | \$25,000 Grant

The LAF Fellowship for Innovation and Leadership offers a \$25,000 grant to experienced landscape architecture professionals with at least six years of experience. It supports innovative projects addressing global challenges like climate change and social equity. Fellows participate in residencies, virtual meetings, mentorship, and join a professional network focused on leadership and innovation. The fellowship is open to applicants worldwide.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://the-updates.com/laf-fellowship-for-innovation-and-leadership-2026-27-25000-grant/>

High Level Policy Dialogue on Resilient Recovery

From 18–20 September 2025, Kobe hosts a high-level forum where global leaders, UN agencies, and partners unite to advance resilient recovery under the Sendai Framework. Through discussions on governance, financing, capacity building, and localization, the event aims to overcome recovery challenges and promote scalable strategies for disaster risk reduction and sustainable resilience.

Location: Kobe, Japan

Deadline: Open, (Event Date) 18–20 September 2025

Link for more information: <https://www.preventionweb.net/event/high-level-policy-dialogue-resilient-recovery>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

ICON Fellowship 2025–2027

The ICON (iCON) Fellowship is a fully funded, 16-month residential program for youth from the Eastern Himalayas (India, Nepal, Bhutan, Bangladesh). Fellows work on grassroots climate adaptation, ecological restoration, rewilding, regenerative agriculture, and community-based environmental leadership. Through immersive training and community projects, participants emerge as entrepreneurial leaders committed to environmental resilience.

Location: Eastern Himalayas (Nepal, India, Bhutan, Bangladesh)

Deadline: Open

Link for more information: <https://nepalclimatehub.org/opportunities/icon-fellowship-20252027/>

Sustainable Water Management and Resource Adaptation

This conference, held from 11 to 13 November 2025 in Italy, focuses on critical issues related to water sustainability, pollution, and ecosystem protection. It gathers global experts to discuss innovative technologies, interdisciplinary research, and collaborative solutions on topics such as advanced water treatment, emerging contaminants, climate change adaptation, and integrated water resource management. The event aims to foster actionable strategies to secure water resources and protect aquatic ecosystems for future generations.

Location: Italy

Deadline: 01 November, 2024

Link for more information: <https://www.preventionweb.net/event/sustainable-water-management-and-resource-adaptation-swmra-2nd-edition>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

SCB Graduate Student Research Fellowship Awards 2025

The SCB Graduate Student Research Fellowship Awards 2025 offer vital funding for graduate students conducting field research in conservation science. Ten awards of US \$1,000 each will support travel, materials, and equipment costs. This fellowship aims to advance biodiversity conservation and empower early-career researchers worldwide while promoting inclusivity and diversity within the scientific community.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://grantsdatabase.org/2025/08/14/scb-graduate-student-research-fellowship-awards-2025-apply-now/>

Vulnerability and Risk Assessment Methods – A Field Course in South Asia

Organized by the University of Copenhagen, this 4-week course provides practical training in disaster risk reduction, focusing on vulnerability and capacity assessments. The program includes face-to-face sessions, a field trip to a South Asian country, and the use of IFRC's VCA tool in real-world settings. It is ideal for professionals seeking hands-on DRR planning skills.

Location: South Asia (Nepal, India, Bangladesh, or Sri Lanka)

Deadline: December 8, 2025

Link for more information: <https://reliefweb.int/job/4166559/regional-leader-south-asia-pacific>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

20th International Conference on Environment Protection (ICEP 2026)

ICEP 2026 aims to gather academic scientists, researchers, and scholars to present and discuss the latest research on environmental protection. This interdisciplinary platform encourages exchange of innovative ideas, research findings, and practical solutions addressing current environmental challenges. Contributions in the form of abstracts, papers, and posters are invited across all fields related to environment protection.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information: https://waset.org/environment-protection-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

20th International Conference on Climate Change and Humanity (ICCCH 2026)

The MENA Earth Science Congress (MESC) is an annual event aimed at fostering collaboration and innovation in tackling urgent environmental challenges in the Middle East and North Africa (MENA) region. The congress brings together scientists, policymakers, industry leaders, and community stakeholders to exchange ideas, share research, and develop sustainable, resilience-focused strategies to address climate change, biodiversity loss, natural disasters, and resource management.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information: https://waset.org/climate-change-and-humanity-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

UKRI Future Leaders Fellowships 2025

This prestigious fellowship offers up to £3 million in research funding for early-career researchers and innovators from any discipline. Open to international applicants, the fellowship supports interdisciplinary research with strong societal impact and includes leadership development, career support, and flexible working options.

Location: Eastern Himalayas (Nepal, India, Bhutan, Bangladesh)

Deadline: 5 November 2025

Link for more information: <https://the-updates.com/ukri-future-leaders-fellowships-2025/>

B. Scholarship

Joint MSc in Geography of Environmental Risks and Human Security – DAAD Scholarship

A two-year interdisciplinary Master's programme jointly offered by the United Nations University – Institute for Environment and Human Security (UNU-EHS) and the University of Bonn. It equips students with theoretical, methodological, and practical skills in environmental risks, human security, vulnerability assessment, and disaster management. The programme emphasizes learning in a multicultural environment, developing expertise related to the Global South, and offers engagement opportunities with the UN system and international organizations. DAAD EPOS fully-funded scholarships are available for eligible candidates from developing countries with at least two years of relevant work experience.

Location: Bonn, Germany

Deadline: 15 December, 2025

Link for more information: <https://unu.edu/ehs/learning/msc-geography-environmental-risks-and-human-security>

Graduate Institute Scholarship in Thailand 2026 (Fully Funded)

The Chulabhorn Graduate Institute Scholarship 2026 offers international students a fully funded Master's program in applied biological sciences, environmental health, and chemical sciences in Thailand. The scholarship covers tuition, living expenses, airfare, accommodation, and more, fostering academic excellence and leadership in science and sustainability. Only 15 scholarships are awarded annually, emphasizing a competitive and prestigious opportunity.

Location: Chulabhorn Graduate Institute, Thailand

Deadline: 30 September, 2025

Link for more information: <https://opportunitiespedia.com/chulabhorn-institute-scholarship-2026/>

B. Scholarship

Water Resources and Environmental Management (WATENV) M.Sc. Programme 2026

The WATENV Master's programme at Leibniz University Hannover, Germany, is a research-oriented, interdisciplinary course focusing on sustainable water resources management, environmental hydraulics, and sanitary engineering. Delivered in English over two years, it equips graduates with expertise for leadership roles in universities, research institutions, consultancies, and international organizations tackling global water challenges. DAAD EPOS scholarships are available.

Location: Germany, Hannover (Leibniz University Hannover)

Deadline: 15 January, 2026

Link for more information: <https://www.fbg.uni-hannover.de/de/studium/studienangebot-der-fakultaet/water-resources-and-environmental-management-watenv>

Sustainable Renewable Energy Technologies, M.Sc. Programme 2026

The SuRE Master's programme at Carl von Ossietzky University Oldenburg, Germany, provides comprehensive training in renewable energy technologies for scientists and engineers aiming for professional careers in sustainable energy. Taught in English, the course offers research labs, fieldwork, and DAAD EPOS scholarships for applicants from developing countries, addressing the growing global demand for renewable energy specialists.

Location: Germany, Oldenburg (Carl von Ossietzky University Oldenburg)

Deadline: 15 October, 2025

Link for more information: <https://uol.de/en/ppre>

B. Scholarship

Melbourne Graduate Research Scholarships

The University of Melbourne offers Graduate Research Scholarships, providing full fee remission and a stipend for domestic and international students undertaking a Masters or PhD. The scholarships include a living allowance, relocation grant, and health cover for international students. Candidates are automatically considered upon application to a graduate research program. Eligibility is based on academic merit, and the scholarship duration varies from two years (Masters) to up to four years (PhD). For details, visit University of Melbourne Scholarships.

Location: Australia, Melbourne (University of Melbourne)

Deadline: 31 October, 2025

Link for more information: <https://scholarships.unimelb.edu.au/awards/melbourne-research-scholarship>

Fully Funded Islamic Development Bank (IsDB) Scholarship 2025-26 | Bachelor, Master, PhD & Postdoc

Fully funded scholarships for one-year master's degrees at any UK university. Covers tuition fees, living expenses, and travel costs. Applicants must demonstrate leadership potential, academic excellence, and a clear vision for contributing to their home country.

Location: United Kingdom

Deadline: 7 November, 2025

Links for information : <https://www.scholars4dev.com/3299/british-chevening-scholarships/>

B. Scholarship

Scholarships in Germany for Development-Related Postgraduate Courses

The DAAD scholarships support foreign graduates from developing countries to pursue Masters or PhD degrees in development-related fields at German universities. Scholarships cover monthly stipends, insurance, and travel costs. Candidates must have a Bachelor's degree, professional experience, and meet language requirements. Application deadlines vary between August and October 2025.

Location: Germany

Deadline: August- October, 2025

Link for more information: <https://www.scholars4dev.com/1002/daad-scholarships-for-postgraduate-courses-with-special-relevance-to-developing-countries/>

University of Sydney International Stipend Scholarships (USYDIS)

The University of Sydney International Stipend Scholarship (USYDIS) is a yearly award for high-quality international postgraduate students pursuing a Master's by research or PhD at the University of Sydney. The scholarship, valued at \$41,753 per year, helps cover tuition fees and living costs. Eligible students must be commencing or enrolled, with an excellent academic record and research potential, and have an unconditional offer for admission to a Master's or PhD program. Applications are due by 12 September 2025 for research periods 1 and 2, and by 19 December 2025 for research periods 3 and 4..

Location: Australia, Sydney (University of Sydney)

Deadline: 12 Sept - 19 Dec, 2025

Link for more information : <https://www.scholars4dev.com/2053/international-scholarships-at-university-of-sydney/>

B. Scholarship

Rhodes Scholarships at Oxford University

The Rhodes Scholarship is a prestigious postgraduate award for exceptional international students to pursue full-time Master's or PhD degrees at Oxford University, UK, starting in October 2025. Established in 1902, it selects 95 scholars annually from over 20 global constituencies, including countries in Africa, Asia, the Americas, and Oceania. Applicants must meet strict academic, age, and citizenship requirements, typically holding a First Class Honours or equivalent undergraduate degree. The scholarship covers all tuition fees, provides a £19,800 yearly stipend, travel costs, visa fees, and health insurance.

Location: United Kingdom, Oxford (Oxford University)

Deadline: Between July and October, 2025

Link for more information: <https://www.scholars4dev.com/3667/rhodes-international-scholarships-at-oxford-university/>

Klaus Tschira Boost Fund (KTBF) Scholarship 2025

The KTBF Scholarship 2025 offers up to €120,000 over two years for postdoctoral researchers in natural sciences, mathematics, computer science, or interdisciplinary fields. Hosted at German research institutions, the program includes research funding, career coaching, leadership workshops, and lifetime membership in the AlumNode network. International candidates with confirmed German host institutions are encouraged to apply.

Location: Germany

Deadline: 01 October, 2025

Link for more information: <https://the-updates.com/klaus-tschira-boost-fund-ktbf-scholarship-2025/>

B. Scholarship

M.Sc. Landscape Ecology and Nature Conservation (New)

This research-oriented, transdisciplinary Master's program combines natural sciences with humanities and economics to train students in landscape ecology and nature conservation. It offers flexibility through elective modules and prepares graduates for careers in research, conservation organizations, environmental consultancy, and administration. The program is taught mainly in English, lasts 4 semesters, and requires a relevant bachelor's degree.

Location: Germany, Greifswald

Deadline: 15 December, 2025

Link for more information: <https://www.uni-greifswald.de/en/study/prior-to-studies/international-degree-courses/master-degree-course-landscape-ecology-and-nature-conservation/>

Master of Science – Tropical Hydrogeology and Environmental Engineering (TropHEE)

The TropHEE programme at Technical University of Darmstadt is a full-time, four-semester MSc course taught entirely in English. It focuses on applied geosciences, specifically hydrogeology and environmental engineering, tailored to international development cooperation. Students choose between two specializations—hydrogeology or environmental engineering—with compulsory modules including fieldwork, project seminars, and research concept training. The programme culminates in a Master's thesis.

Location: Germany, Darmstadt (Technical University of Darmstadt)

Deadline: 15 December, 2025

Link for more information : <https://www.geo.tu-darmstadt.de/trophee/index.en.jsp>

B. Scholarship

National Taiwan University Scholarships 2026 in Taiwan (Fully Funded)

National Taiwan University offers fully funded scholarships for international students pursuing Master's or PhD degrees. Covering tuition, a monthly stipend, and full access to academic resources, this opportunity is ideal for high-achieving students ready to join a vibrant and diverse research environment in one of Asia's top universities.

Location: Taipei, Taiwan

Deadline: November 13, 2025

Link for more information: <https://opportunitiespedia.com/national-taiwan-university-scholarships-2026/>

Portugal Government Scholarships 2025-2026

The Portugal Government Scholarships open doors for international students to pursue undergraduate to PhD programs at top Portuguese universities. With tuition support and a living stipend, this partially funded opportunity allows students to immerse in Portugal's rich culture while focusing on academic and professional growth.

Location: Portugal

Deadline: 30 September, 2025

Link for more information: <https://www.opportunitiescircle.com/portugal-government-scholarships-2/>

B. Scholarship

Chevening Scholarship 2026 in the UK (Fully Funded)

The Chevening Scholarship 2026 offers fully funded one-year Master's degrees in the UK for emerging leaders worldwide. Funded by the UK FCDO, it covers tuition, travel, and living costs while providing access to exclusive networking and professional development opportunities. Applicants must show leadership potential, work experience, and a commitment to community impact.

Location: United Kingdom (Various accredited universities)

Deadline: 7 October, 2025

Link for more information: <https://opportunitiespedia.com/chevening-scholarship-2026/>

Oxford Pershing Square Graduate Scholarships 2026 in UK (Fully Funded)

The Oxford Pershing Square Graduate Scholarships 2026 provide full funding for international students pursuing the 1+1 MBA program at the University of Oxford, which combines a specialized Master's degree with the Oxford MBA. The scholarship covers tuition, a living stipend, leadership training, and networking, targeting students committed to scalable global solutions.

Location: University of Oxford, Oxford, United Kingdom

Deadline: 9 October, 2025

Link for more information: <https://opportunitiespedia.com/oxford-pershing-square-graduate-scholarships-2026/>

B. Scholarship

Murdoch University RTP Scholarships 2025–2026 | Partially Funded | Masters & PhD Research

Murdoch University RTP Scholarships provide partially funded opportunities for international students to pursue master's or doctoral research programs in Australia. Funded through the Australian Government's Research Training Program, the scholarship covers a living allowance of AUD 37,000 per year and supports research supervision, international exposure, and professional development. Master's students receive funding up to 2 years, while PhD students may receive funding up to 3.5 years.

Location: Murdoch University, Perth, Australia

Deadline: 31 October, 2025

Link for more information: <https://www.opportunitiescircle.com/murdoch-university-rtp-scholarships/>

Master of Science – Environmental Governance (MEG) Programme

The MEG programme is a two-year (4 semesters), English-taught MSc focusing on environmental governance, targeting young professionals from developing countries. The programme offers a limited number of competitive DAAD-EPOS scholarships, requiring applicants to have an academic degree not older than six years, at least two years of relevant professional experience (excluding internships or voluntary work), and an above-average academic record.

Location: Freiburg, Germany

Deadline: 15 October, 2025

Link for more information: <https://www.meg.uni-freiburg.de/admissions/Scholarships/daad%20scholarship>

C. Awards

Emerging Climate Champions Award

The Emerging Climate Champions Award, a \$25 million global initiative by Enlight Foundation, The Patchwork Collective, and Lever for Change, offers \$1 million multiyear grants to youth-led organizations (ages 15–35) with at least two years of experience in climate solutions. The transparent selection includes peer and expert reviews. Winners will be announced in summer 2026, with funding over one to five years.

Location: Global

Deadline: 22 September, 2025

Link for more information: <https://leverforchange.org/open-calls/emerging-climate-champions-award/>

Restoration Returns Grants 2025 – Funding for Community-Based Ecosystem Projects (New)

The G20 Global Land Initiative invites community-based organisations to apply for the Restoration Returns Grants 2025. With up to USD 17,000 in funding, this opportunity supports scaling existing ecosystem restoration efforts led by grassroots actors worldwide. Eligible organisations can amplify their impact in land restoration, biodiversity, and sustainable land use practices.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://grantsdatabase.org/2025/07/27/call-for-applications-for-the-restoration-returns-grants-2025/>

C. Awards

National College of Engineering (NCE) Research Grant 2025 (New)

The National College of Engineering (NCE) invites faculty-led research groups from constituent or affiliated engineering colleges in Nepal to apply for the NCE Research Grant 2025. Grants of NPR 200,000 will support innovative multidisciplinary research, including AI, IoT, renewable energy, sustainable infrastructure, climate change, and more. Applications must include at least one faculty and one undergraduate student, with a two-step submission process (screening and detailed proposal).

Location: Talchhikhel, Lalitpur-14, Bagmati Province, Nepal

Deadline: 17 September, 2025

Link for more information: <https://nce.edu.np/research-grand-funding-2025/>

1913 Creators Fund 2025 – Grants for Nonprofits (New)

The Stanley 1913 Creators Fund offers grants of up to USD 50,000 for early-stage nonprofit organizations driving innovation and community impact. Focus areas include climate change, food security, housing, equity, justice, and other societal challenges. The program supports organizations that act boldly, creatively, and inclusively, helping them scale initiatives while fostering a global community of inventive leaders.

Location: Global

Deadline: 19 September, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/stanley-1913-creators-fund-offers-50000-grants-to-nonprofits/>

C. Awards

Weather and Natural Hazards Solutions Grant Program (New)

The National Geographic Society offers grants up to \$50,000 USD for projects developing science-based solutions to extreme weather events and natural hazards, including wildfires, hurricanes, floods, and droughts. Projects can focus on field research, nature-based solutions, technological innovations, or local-level resilience strategies. Funding is available for individual project leaders over 18, with a two-year project duration.

Location: Global

Deadline: 19 September, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/extreme-weather-and-natural-hazards-solutions-grant-program/>

Call for Submission of Small Scale Projects 2026 – Embassy of the Czech Republic in New Delhi (New)

The Embassy of the Czech Republic in New Delhi invites proposals for Small Scale Projects (SSP) 2026, aimed at fostering sustainable development in Nepal, Sri Lanka, and the Maldives. Eligible NGOs, CSOs, non-profits, social businesses, and foundations may apply for grants ranging from CZK 200,000 to 500,000. Priority themes include good governance, climate action, natural resource management, agriculture, and rural development.

Location: New Delhi, India (projects implementation in Nepal, Sri Lanka, Maldives)

Deadline: 1 October, 2025

Link for more information:

https://mzv.gov.cz/newdelhi/en/economy/development_cooperation/call_for_submission_of_small_scale_4.html

C. Awards

TNE Exploratory Grants – Going Global Partnerships (British Council)

The TNE (Transnational Education) Exploratory Grant supports partnerships between UK institutions and those in eligible countries to develop or expand joint education projects. Funded projects should promote inclusive, high-quality education aligned with the SDGs, and may include joint degrees, curriculum co-creation, recognition of qualifications, and more.

Location: United Kingdom

Deadline: 08 September, 2025

Link for more information: <https://www2.fundsforngos.org/latest-funds-for-ngos/request-for-applications-tne-exploratory-grants/>

7th Annual Earth Partner Prize – Youth Climate and Environmental Arts (New)

The Earth Partner Prize invites global artists aged 14–30 to submit creative works addressing ecological crises, including climate justice, biodiversity, grassroots activism, and environmental impacts on communities. Submissions can be in any medium, including visual arts, performance, new media, and apps. Eight finalists will receive cash prizes of \$10K, \$5K, or \$2K, with 20 honourable mentions recognised by an international panel.

Location: Global

Deadline: 10 October, 2025

Link for more information: <https://www2.fundsforngos.org/environment/entries-open-for-the-7th-annual-earth-partner-prize/>

C. Awards

Applications open for TUI Forests Programme (New)

The TUI Care Foundation's TUI Forests programme supports forest conservation and sustainable tourism, enhancing local livelihoods through initiatives like community-run nurseries and forest-based tourism. Grants range from €10,000 to €150,000 per year for projects lasting at least 24 months. Funding covers tree planting, community engagement, communications, staff, and modest overhead, with a focus on tourism-rich locations worldwide.

Location: Multiple countries (including Nepal)

Deadline: 01 November, 2025

Link for more information: <https://www2.fundsforngos.org/sustainable-development/applications-open-for-tui-forests-programme/>

Scaling Up Locally Led Climate Action (LLCA)

This initiative, funded by the Nordic Development Fund (NDF) and implemented by the World Bank, supports the development of national systems for locally-led climate resilience in Nepal, Bangladesh, Rwanda, and Tanzania. With a €10 million grant, LLCA strengthens local governments' capacity to manage climate finance, foster inclusive decision-making, and mobilize climate investments at scale. The programme runs from 2024-2029, catalyzing locally-driven adaptation and mitigation.

Location: Nepal, Bangladesh, Rwanda, Tanzania

Deadline: Open

Link for more information: <https://www.ndf.int/what-we-finance/projects/project-database/scaling-up-locally-led-climate-action-c157.html>

C. Awards

Apply for a Purpose Earth Grant and Mentorship Program

Purpose Earth offers grants up to \$10,000 along with mentorship to individuals and organizations with purpose-driven projects addressing environmental protection, community activation, or cultural collaboration. Projects must demonstrate long-term sustainability, have a clear implementation plan, and show significant impact from the grant. Applicants must submit a professional reference letter and a public YouTube video explaining their project. Certain countries are ineligible due to sanctions.

Location: Global

Deadline: 31 December, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/apply-for-a-purpose-earth-grant-and-mentorship-program/>

Restoration Returns Grants Program

The Restoration Returns Grants Program supports community-led initiatives that restore ecosystems while benefiting local livelihoods and natural resources. It targets restoration projects involving reforestation, agroforestry, sustainable farming, soil improvement, peatland rewetting, and other techniques. Grants of up to USD 17,000 help scale and enhance ongoing or new restoration efforts with a focus on high environmental and social returns. Priority is given to civil society groups and Indigenous Peoples from developing and least developed regions.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/call-for-applications-restoration-returns-grants-program/>

C. Awards

AIPH World Green City Awards 2026

The AIPH World Green City Awards 2026 recognize cities integrating nature and plants into urban planning to promote sustainability, resilience, and livability. This biennial competition highlights initiatives in biodiversity, climate action, health, water management, social cohesion, urban infrastructure, and urban agriculture, offering international visibility, networking, and validation for impactful green projects. Early submissions are encouraged for maximum eligibility.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://grantsdatabase.org/2025/08/08/aiph-world-green-city-awards-2026-applications-now-open/>

World Sustainability Award 2026 – \$150,000 Prize for Global Impact

The Restoration Returns Grants Program supports community-led initiatives that restore ecosystems while benefiting local livelihoods and natural resources. It targets restoration projects involving reforestation, agroforestry, sustainable farming, soil improvement, peatland rewetting, and other techniques. Grants of up to USD 17,000 help scale and enhance ongoing or new restoration efforts with a focus on high environmental and social returns. Priority is given to civil society groups and Indigenous Peoples from developing and least developed regions.

Location: Basel, Switzerland

Deadline: December 15, 2025 (Nomination Form)

Link for more information: <https://grantsdatabase.org/2025/08/05/apply-now-for-the-world-sustainability-award-2026/>

C. Awards

CFAs: Resilient, Inclusive and Sustainable Environments (RISE) Grants Challenge

The RISE Grants Challenge, led by IUCN with support from USAID and Norad, funds community-driven conservation projects that integrate environmental sustainability and gender equality. Grants range from USD200,000 to USD300,000 for 12-18 months. Eligible projects focus on Indigenous-managed lands or areas conserved through other effective measures and require partnerships with experienced organizations to ensure impactful, locally grounded implementation.

Location: 23 eligible countries including Nepal

Deadline: 08 September, 2025

Link for more information: <https://www2.fundsforngos.org/sustainable-development/cfas-resilient-inclusive-and-sustainable-environments-rise-grants-challenge/>

D.Vacancy and Funding Opportunities

Consultancy Service for Soil Testing, Sample Collection, and Certification (New)

Aasaman Nepal (ASN), under the CS4FS project with support from BMZ and Welthungerhilfe, invites sealed bids for consultancy services on soil testing, including sample collection and certification. The initiative aims to promote climate-resilient local agri-food systems in Madhesh Province, enhancing food security and supporting farmers across Ganeshman Charnath Municipality, Sahidnagar Municipality, and Janaknandini Rural Municipality.

Location: Janakpurdham, Dhanusha, Nepal

Deadline: 11 September 2025

Link for more information: <https://www.jobsnepal.com/itb-notice-supply-of-consultancy-service-for-soil-testing-service-including-sample-collection-and-certification-139407>

Consultancy Services – Digitally Agro-Advisory Services (New)

Digo Bikash Samaj (DBS), an umbrella organization of community-based organizations in Kailali, invites proposals for consultancy services to implement digitally enabled agro-advisory services. The consultancy will support the LICED project, funded by Australian Aid/ALWS and LWF Nepal, aiming to strengthen community empowerment, livelihoods, and climate change actions in target municipalities of Kailali district. Eligible applicants include individuals and registered consultancy firms.
