A. Conference, Workshop, Seminar, Fellowship, Training ,Program etc.

SANDEE @ 25 – ICIMOD Conference

The South Asian Network for Development and Environmental Economics (SANDEE), under ICIMOD, is hosting the SANDEE@25 International Conference in Kathmandu, Nepal, from 12–14 December 2025. Themed “Development, Environment, and Mountains,” the event invites paper and panel submissions on topics like climate change, biodiversity, pollution, ecosystems, and livelihoods. Submissions are due by May 31, 2025, with free registration and limited participation grants available. The conference aims to bring together researchers and policymakers from South Asia and the Hindu Kush Himalaya region.

Location: Kathmandu, Nepal

Deadline: 01 September, 2025

Link for more information : <https://www.icimod.org/initiative/sandee/sandee25/>

International Climate Protection Fellowship

The International Climate Protection Fellowship supports prospective leaders and postdocs from non-European developing countries to conduct 12–24 month climate research projects in Germany. Applicants need relevant qualifications and professional experience. The fellowship offers financial support, including stipends, travel allowances, and family support. It encourages collaboration with German hosts to address climate challenges. The next application round starts in August 2025.

Location: Germany

Deadline: August, 2025

Link for more information : <https://www.humboldt-foundation.de/en/apply/sponsorship-programmes/international-climate-protection-fellowship>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

UNFCCC CAPACITY Fellowship Programme 2025

The CAPACITY Fellowship Programme by UNFCCC offers mid-career professionals from Small Island Developing States (SIDS) and Least Developed Countries (LDCs) a one-year (extendable to two years) training and work opportunity at the UNFCCC Secretariat in Bonn, Germany. Fellows work in areas related to climate change governance, gaining valuable experience, mentorship, and skills to strengthen their home institutions' climate action efforts. Three new vacancies are currently available in the Mitigation Division's Markets and Non-Markets Support and Stakeholders Interaction subdivision.

Location: Bonn, Germany (UNFCCC Secretariat)

Deadline: 03 August, 2025

Link for more information: <https://unfccc.int/capacity-fellowship-programme>

20th International Conference on Soil, Water, Air, Energy, Ecology and Environment (ICSWAEEEE 2026) (New)

ICSWAEEEE 2026 aims to unite leading researchers, academics, and scholars to explore and present innovative studies across environmental domains including soil, water, air, energy, ecology, and sustainability. The conference encourages interdisciplinary dialogue and offers opportunities for publication in special journal issues through peer-reviewed proceedings.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information:

https://waset.org/soil-water-air-energy-ecology-and-environment-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

Training Course on Monitoring and Evaluation in Disaster Risk Reduction

This three-day, in-person course, organized by the Asian Disaster Preparedness Center in Bangkok, aims to build participants' capacity in monitoring and evaluation (M&E) specific to disaster risk reduction (DRR). The course covers core DRR concepts, M&E frameworks, gender-responsive M&E, and the integration of M&E into disaster management project cycles. It also promotes knowledge sharing among regional agencies and partners involved in DRR.

Location: Bangkok, Thailand

Deadline: 20 August, 2025

Link for more information: <https://www.preventionweb.net/event/4th-training-course-monitoring-and-evaluation-disaster-risk-reduction>

6th International Conference on Environmental Science and Applications (ICESA 2025)

The 6th International Conference on Environmental Science and Applications (ICESA 2025) will be held from October 27–29, 2025, in Barcelona, Spain, organized by International ASET Inc. It welcomes global researchers to present work on topics such as air pollution, renewable energy, climate change, water treatment, and environmental sustainability. Submissions (extended abstracts, short papers, or full papers) are now open, with proceedings to be indexed in Google Scholar and archived in Portico. Early bird registration is available.

Location: Barcelona, Spain

Deadline: 01 August, 2025

Link for more information: <https://esaconference.com/>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

International Climate Protection Fellowship 2025–2026 (New)

The International Climate Protection Fellowship by the Alexander von Humboldt Foundation offers a 12–24 month fully funded research stay in Germany for emerging leaders and postdocs from non-European developing and transition countries. The fellowship supports climate-related research or applied projects with host institutions in Germany, promoting global cooperation on climate protection and sustainable development.

Location: Germany

Deadline: 01 February, 2026

Link for more information: <https://www.humboldt-foundation.de/en/apply/sponsorship-programmes/international-climate-protection-fellowship?utm>

Sustainable Water Management and Resource Adaptation

This conference, held from 11 to 13 November 2025 in Italy, focuses on critical issues related to water sustainability, pollution, and ecosystem protection. It gathers global experts to discuss innovative technologies, interdisciplinary research, and collaborative solutions on topics such as advanced water treatment, emerging contaminants, climate change adaptation, and integrated water resource management. The event aims to foster actionable strategies to secure water resources and protect aquatic ecosystems for future generations.

Location: Italy

Deadline: 01 November, 2024

Link for more information: <https://www.preventionweb.net/event/sustainable-water-management-and-resource-adaptation-swmra-2nd-edition>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

7th International Resilience Congress

The CAPACITY Fellowship Programme by the UNFCCC offers mid-career professionals from Small Island Developing States (SIDS) and Least Developed Countries (LDCs) a one-year training and work opportunity—extendable to two years—at the UNFCCC Secretariat in Bonn, Germany. Fellows work in areas related to climate change governance, gaining valuable experience, mentorship, and skills to support and strengthen climate action efforts in their home institutions. Currently, three new vacancies are available in the Mitigation Division's Markets and Non-Markets Support and Stakeholders Interaction subdivision.

Location: Türkiye, Firat University

Deadline: 05 September, 2025

Link for more information: <https://www.preventionweb.net/event/7-international-resilience-congress>

MENA Earth Science Congress (MESC)

The MENA Earth Science Congress (MESC) is an annual event aimed at fostering collaboration and innovation in tackling urgent environmental challenges in the Middle East and North Africa (MENA) region. The congress brings together scientists, policymakers, industry leaders, and community stakeholders to exchange ideas, share research, and develop sustainable, resilience-focused strategies to address climate change, biodiversity loss, natural disasters, and resource management.

Location: Italy, Rome

Deadline: 01 August, 2025

Link for more information: <https://www.ierek.com/events/mena-earth-science-congress-mesc#introduction>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

20th International Conference on Environment Protection (ICEP 2026)

ICEP 2026 aims to gather academic scientists, researchers, and scholars to present and discuss the latest research on environmental protection. This interdisciplinary platform encourages exchange of innovative ideas, research findings, and practical solutions addressing current environmental challenges. Contributions in the form of abstracts, papers, and posters are invited across all fields related to environment protection.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information: https://waset.org/environment-protection-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

20th International Conference on Climate Change and Humanity (ICCH 2026)

The MENA Earth Science Congress (MESC) is an annual event aimed at fostering collaboration and innovation in tackling urgent environmental challenges in the Middle East and North Africa (MENA) region. The congress brings together scientists, policymakers, industry leaders, and community stakeholders to exchange ideas, share research, and develop sustainable, resilience-focused strategies to address climate change, biodiversity loss, natural disasters, and resource management.

Location: Kathmandu, Nepal

Deadline: 05 November, 2025

Link for more information: https://waset.org/climate-change-and-humanity-conference-in-october-2026-in-kathmandu?utm_source=conferenceindex&utm_medium=referral&utm_campaign=listing

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

HUC Academy 2025 – Climate Change and Migration (New)

The HUC Academy 2025, hosted by ICIMOD and the Himalayan University Consortium, focuses on building interdisciplinary research capacity on climate change and migration in the Hindu Kush Himalaya. It targets mid-career researchers and faculty, offering hands-on learning, peer collaboration, and engagement with global experts to support policy-relevant, evidence-based research in the region.

Location: Dhulikhel, Kathmandu, Nepal

Deadline: Open, Event Scheduled for 4th August, 2025

Link for more information: <https://www.icimod.org/event/economies/huc-academy-2025-climate-change-migration/?utm>

Regional Training Workshop on Air Quality Data Analysis 2025 (New)

ICIMOD, under its HI-REAP initiative, will host a five-day regional training workshop to strengthen air quality data analysis skills among stakeholders across the Hindu Kush Himalaya. Participants from governments, academia, and NGOs will explore emissions monitoring, social and gender dimensions, and use analytical tools to support evidence-based air quality policies.

Location: Khumaltar, Patan, Nepal (ICIMOD Headquarters)

Deadline: Open, Event Scheduled for 18th August, 2025

Link for more information: <https://www.icimod.org/event/air/air-quality-data-analysis/?utm>

A. Conference, Workshop, Seminar, Fellowship, Training, Program etc.

ICON Fellowship 2025–2027 (New)

The ICON (iCON) Fellowship is a fully funded, 16-month residential program for youth from the Eastern Himalayas (India, Nepal, Bhutan, Bangladesh). Fellows work on grassroots climate adaptation, ecological restoration, rewilding, regenerative agriculture, and community-based environmental leadership. Through immersive training and community projects, participants emerge as entrepreneurial leaders committed to environmental resilience.

Location: Eastern Himalayas (Nepal, India, Bhutan, Bangladesh)

Deadline: Open

Link for more information: <https://nepalclimatehub.org/opportunities/icon-fellowship-20252027/>

B. Scholarship

Joint MSc in Geography of Environmental Risks and Human Security – DAAD Scholarship

A two-year interdisciplinary Master's programme jointly offered by the United Nations University – Institute for Environment and Human Security (UNU-EHS) and the University of Bonn. It equips students with theoretical, methodological, and practical skills in environmental risks, human security, vulnerability assessment, and disaster management. The programme emphasizes learning in a multicultural environment, developing expertise related to the Global South, and offers engagement opportunities with the UN system and international organizations. DAAD EPOS fully-funded scholarships are available for eligible candidates from developing countries with at least two years of relevant work experience.

Location: Bonn, Germany

Deadline: 15 December, 2025

Link for more information: <https://unu.edu/ehs/learning/msc-geography-environmental-risks-and-human-security>

LAF Fellowship for Innovation and Leadership 2026–27 | \$25,000 Grant (New)

The LAF Fellowship for Innovation and Leadership offers a \$25,000 grant to experienced landscape architecture professionals with at least six years of experience. It supports innovative projects addressing global challenges like climate change and social equity. Fellows participate in residencies, virtual meetings, mentorship, and join a professional network focused on leadership and innovation. The fellowship is open to applicants worldwide.

Location: Global

Deadline: 15 September, 2025

Link for more information: <https://the-updates.com/laf-fellowship-for-innovation-and-leadership-2026-27-25000-grant/>

B. Scholarship

Water Resources and Environmental Management (WATENV) M.Sc. Programme 2026

The WATENV Master's programme at Leibniz University Hannover, Germany, is a research-oriented, interdisciplinary course focusing on sustainable water resources management, environmental hydraulics, and sanitary engineering. Delivered in English over two years, it equips graduates with expertise for leadership roles in universities, research institutions, consultancies, and international organizations tackling global water challenges. DAAD EPOS scholarships are available.

Location: Germany, Hannover (Leibniz University Hannover)

Deadline: 15 January, 2026

Link for more information: <https://www.fbg.uni-hannover.de/de/studium/studienangebot-der-fakultaet/water-resources-and-environmental-management-watenv>

Sustainable Renewable Energy Technologies, M.Sc. Programme 2026

The SuRE Master's programme at Carl von Ossietzky University Oldenburg, Germany, provides comprehensive training in renewable energy technologies for scientists and engineers aiming for professional careers in sustainable energy. Taught in English, the course offers research labs, fieldwork, and DAAD EPOS scholarships for applicants from developing countries, addressing the growing global demand for renewable energy specialists.

Location: Germany, Oldenburg (Carl von Ossietzky University Oldenburg)

Deadline: 15 October, 2025

Link for more information: <https://uol.de/en/ppre>

B. Scholarship

Melbourne Graduate Research Scholarships

The University of Melbourne offers Graduate Research Scholarships, providing full fee remission and a stipend for domestic and international students undertaking a Masters or PhD. The scholarships include a living allowance, relocation grant, and health cover for international students. Candidates are automatically considered upon application to a graduate research program. Eligibility is based on academic merit, and the scholarship duration varies from two years (Masters) to up to four years (PhD). For details, visit University of Melbourne Scholarships.

Location: Australia, Melbourne (University of Melbourne)

Deadline: 31 October ,2025

Fully Funded Islamic Development Bank (IsDB) Scholarship 2025-26 | Bachelor, Master, PhD & Postdoc

Fully funded scholarships for one-year master's degrees at any UK university. Covers tuition fees, living expenses, and travel costs. Applicants must demonstrate leadership potential, academic excellence, and a clear vision for contributing to their home country.

Location: United Kingdom

Deadline: 7 November, 2025

Links for information : <https://www.scholars4dev.com/3299/british-chevening-scholarships/>

B. Scholarship

Scholarships in Germany for Development-Related Postgraduate Courses

The DAAD scholarships support foreign graduates from developing countries to pursue Masters or PhD degrees in development-related fields at German universities. Scholarships cover monthly stipends, insurance, and travel costs. Candidates must have a Bachelor's degree, professional experience, and meet language requirements. Application deadlines vary between August and October 2025.

Location: Germany

Deadline: August- October, 2025

Link for more information: <https://www.scholars4dev.com/1002/daad-scholarships-for-postgraduate-courses-with-special-relevance-to-developing-countries/>

University of Sydney International Stipend Scholarships (USYDIS)

The University of Sydney International Stipend Scholarship (USYDIS) is a yearly award for high-quality international postgraduate students pursuing a Master's by research or PhD at the University of Sydney. The scholarship, valued at \$41,753 per year, helps cover tuition fees and living costs. Eligible students must be commencing or enrolled, with an excellent academic record and research potential, and have an unconditional offer for admission to a Master's or PhD program. Applications are due by 12 September 2025 for research periods 1 and 2, and by 19 December 2025 for research periods 3 and 4..

Location: Australia, Sydney (University of Sydney)

Deadline: 12 Sept – 19 Dec, 2025

Link for more information : <https://www.scholars4dev.com/2053/international-scholarships-at-university-of-sydney/>

B. Scholarship

Rhodes Scholarships at Oxford University

The Rhodes Scholarship is a prestigious postgraduate award for exceptional international students to pursue full-time Master's or PhD degrees at Oxford University, UK, starting in October 2025. Established in 1902, it selects 95 scholars annually from over 20 global constituencies, including countries in Africa, Asia, the Americas, and Oceania. Applicants must meet strict academic, age, and citizenship requirements, typically holding a First Class Honours or equivalent undergraduate degree. The scholarship covers all tuition fees, provides a £19,800 yearly stipend, travel costs, visa fees, and health insurance.

Location: United Kingdom, Oxford (Oxford University)

Deadline: Between July and October, 2025

Link for more information: <https://www.scholars4dev.com/3667/rhodes-international-scholarships-at-oxford-university/>

Klaus Tschira Boost Fund (KTBF) Scholarship 2025 (New)

The KTBF Scholarship 2025 offers up to €120,000 over two years for postdoctoral researchers in natural sciences, mathematics, computer science, or interdisciplinary fields. Hosted at German research institutions, the program includes research funding, career coaching, leadership workshops, and lifetime membership in the AlumNode network. International candidates with confirmed German host institutions are encouraged to apply.

Location: Germany

Deadline: 01 October, 2025

Link for more information: <https://the-updates.com/klaus-tschira-boost-fund-ktbf-scholarship-2025/>

B. Scholarship

Air Quality Control, Solid Waste and Waste Water Process Engineering (WASTE) M.Sc. Programme

The WASTE Master's programme at the University of Stuttgart, Germany, focuses on environmental and process engineering, covering air quality control, solid waste, and wastewater treatment. This four-semester, English-taught course includes theoretical modules, practical work, internships, and the option for a double degree with Brazil's Universidade Federal do Paraná. Graduates gain expertise for global careers in environmental engineering sectors.

Location: Germany, Stuttgart (University of Stuttgart)

Deadline: 01 August – 30 September

Link for more information: <https://www.uni-weimar.de/de/bau-und-umwelt/studium/master-of-science/natural-hazards-and-risks-in-structural-engineering/>

Master of Science — Tropical Hydrogeology and Environmental Engineering (TropHEE)

The TropHEE programme at Technical University of Darmstadt is a full-time, four-semester MSc course taught entirely in English. It focuses on applied geosciences, specifically hydrogeology and environmental engineering, tailored to international development cooperation. Students choose between two specializations—hydrogeology or environmental engineering—with compulsory modules including fieldwork, project seminars, and research concept training. The programme culminates in a Master's thesis.

Location: Germany, Darmstadt (Technical University of Darmstadt)

Deadline: 15 December, 2025

Link for more information : <https://www.geo.tu-darmstadt.de/trophee/index.en.jsp>

C. Awards

Emerging Climate Champions Award

The Emerging Climate Champions Award, a \$25 million global initiative by Enlight Foundation, The Patchwork Collective, and Lever for Change, offers \$1 million multiyear grants to youth-led organizations (ages 15–35) with at least two years of experience in climate solutions. The transparent selection includes peer and expert reviews. Winners will be announced in summer 2026, with funding over one to five years.

Location: Global

Deadline: 22 September, 2025

Link for more information: <https://leverforchange.org/open-calls/emerging-climate-champions-award/>

Open Call: Communities Climate Adaptation Facility Grant

The United Nations Office for Project Services (UNOPS) is offering the Communities Climate Adaptation Facility (C-CAF) Grant to empower climate-vulnerable communities through quick-impact funding. The initiative addresses urgent local needs resulting from climate change, such as clean water, healthcare, housing, and sustainable livelihoods. It supports underrepresented groups—like women, persons with disabilities, and indigenous peoples—through community-led solutions integrating traditional knowledge and inclusive development strategies. Nepalese climate-vulnerable communities and grassroots organizations are eligible if they meet the criteria.

Location: Global

Deadline: 05 August, 2025

Link for more information: <https://www2.fundsforngos.org/children/open-call-communities-climate-adaptation-facility-grant-tuvalu/>

C. Awards

CFPs: ABU Together for Planet, People, Peace Media Awards

The ABU Together for Planet, People, Peace (T4P) Media Awards 2025 invite media organizations, production houses, and independent producers worldwide to submit impactful stories promoting sustainability, social justice, inclusion, and peace. Open to content broadcast between April 2023 and April 2025, entries must focus on one of three areas—Planet, People, or Peace—and meet specific audio or video requirements. The awards recognize outstanding work through winners and runners-up in multiple categories, judged by an independent jury. Submissions are accepted globally, making it open to Nepal-based applicants as well.

Location: Global

Deadline: 31 August, 2025

Link for more information: <https://www2.fundsforngos.org/community-development/cfps-abu-together-for-planet-people-peace-media-awards/>

Veni Grants for Researchers

The Veni grant supports talented, creative, and recently graduated PhD researchers who are transitioning towards independent research careers. It is ideal for those with academic qualities that significantly exceed the norm. The funding supports innovative research with strong scientific or societal impact. A pre-proposal is mandatory, and only selected candidates can submit a full proposal.

Location: Netherlands

Deadline: 02 September, 2025

Link for more information: <https://www2.fundsforngos.org/latest-funds-for-ngos/veni-grants-for-researchers/>

C. Awards

TNE Exploratory Grants – Going Global Partnerships (British Council)

The TNE (Transnational Education) Exploratory Grant supports partnerships between UK institutions and those in eligible countries to develop or expand joint education projects. Funded projects should promote inclusive, high-quality education aligned with the SDGs, and may include joint degrees, curriculum co-creation, recognition of qualifications, and more.

Location: United Kingdom

Deadline: 08 September, 2025

Link for more information: <https://www2.fundsforngos.org/latest-funds-for-ngos/request-for-applications-tne-exploratory-grants/>

Global Talent Ireland 2025 – Call for Proposals to Attract World-Class Researchers to Ireland (New)

Global Talent Ireland 2025 is a six-year research funding programme designed to attract exceptional mid-career (“Rising Stars”) and established (“Research Leaders”) researchers to relocate their activities to eligible Irish host institutions. Successful applicants may receive up to €2.25 million (Rising Stars) or €3.25 million (Research Leaders) to support research, staffing, infrastructure, and start-up costs, fostering innovation in priority areas including AI, sustainability, and life sciences.

Location: Ireland

Deadline: 28 August, 2025

Link for more information: <https://opportunitiesforyouth.org/2025/07/21/global-talent-ireland-2025-call-for-proposals-to-attract-world-class-researchers-to-ireland/>

C. Awards

The Henry Arnhold Fellows Program 2025 (New)

The Henry Arnhold Fellows Program, hosted by the Mulago Foundation, is a one-year accelerator offering \$100,000 in unrestricted funding, strategic mentorship, and global networking to early-stage leaders in climate and conservation. The fellowship supports founders or CEOs with proven, scalable solutions addressing issues like biodiversity, climate resilience, and forest or marine protection.

Location: Global

Deadline: 07 August, 2025

Link for more information: <https://grantsdatabase.org/2025/07/19/the-henry-arnhold-fellows-program-a-100k-opportunity-for-climate-and-conservation-leaders/?utm>

Scaling Up Locally Led Climate Action (LLCA) (New)

This initiative, funded by the Nordic Development Fund (NDF) and implemented by the World Bank, supports the development of national systems for locally-led climate resilience in Nepal, Bangladesh, Rwanda, and Tanzania. With a €10 million grant, LLCA strengthens local governments' capacity to manage climate finance, foster inclusive decision-making, and mobilize climate investments at scale. The programme runs from 2024–2029, catalyzing locally-driven adaptation and mitigation.

Location: Nepal, Bangladesh, Rwanda, Tanzania

Deadline: Open

Link for more information: <https://www.ndf.int/what-we-finance/projects/project-database/scaling-up-locally-led-climate-action-c157.html>

D.Vacancy and Funding Opportunities

Green Climate Fund – Regional Presence Call for Proposals (New)

The Green Climate Fund (GCF) has issued a call for proposals inviting countries to host GCF regional offices and an outpost. This initiative aims to enhance GCF's proximity to developing country partners, improving accessibility and effectiveness in delivering climate finance. Eligible countries are those that are Non-Annex I Parties to the UNFCCC with cities classified as A or B per the International Civil Service Commission hardship classification.

Location: Developing countries (Nepal, Bangladesh, Kenya etc)

Deadline: 15 August, 2025

Link for more information : <https://www.greenclimate.fund/about/secretariat/regional-presence?utm>

Procurement Associate (Roster Recruitment) – UNDP Kathmandu, Nepal

The UEFA Foundation for Children is accepting proposals for child-focused projects using sport—especially football—to drive development and social impact. Eligible NGOs must support vulnerable children and align with the foundation's mission to promote children's rights and well-being. Projects must primarily serve children under 18 (with at least 20% girls), avoid professional talent scouting, and uphold ethical and financial transparency standards. Key focus areas include access to sport, disability inclusion, gender equality, employability, health, infrastructure, and environmental protection.

Location: Nepal, Kathmandu (UNDP office)

Deadline: 29 July, 2025

Link for more information:

https://estm.fa.em2.oraclecloud.com/hcmUI/CandidateExperience/en/sites/CX_1/job/27686

D.Vacancy and Funding Opportunities

CCAC Food and Nutrition Challenge 2025

The Climate and Clean Air Coalition (CCAC) is calling for proposals that tackle food system-related super pollutant emissions—like methane, black carbon, and HFCs—while improving food security and resilience. Focus areas include diverting organic waste, sustainable cold-chain infrastructure, agroecological practices, reducing food loss, and tracking emissions reductions. Projects should have cross-sector collaboration and deliver measurable, scalable impacts within 24 months. Funding is up to \$2,000,000.

Location: Global

Deadline: 06 August, 2025

Link for more information: <https://www2.fundsforngos.org/latest-funds-for-ngos/request-for-proposals-ccac-food-and-nutrition-challenge-2025/>

Monitoring, Evaluation, and Learning (MEL) Specialist – HICAS Project (ICIMOD)

ICIMOD invites applications for a two-year position of MEL Specialist under the HICAS project, funded by Global Affairs Canada. The role involves strengthening results-based MEL systems to support gender-responsive, human rights-based, and climate-resilient solutions across Bangladesh, Bhutan, and Nepal. The specialist will guide the design, implementation, and reporting of MEL frameworks with a strong emphasis on GESI, IPLC engagement, and adaptive learning across project sites.

Location: Bangladesh, Bhutan, and Nepal

Deadline: 03 August, 2025

Link for more information: https://cvmgmt.icimod.org/uploads/vacancy/377/ToR%20MEL%20Specialist%20HICAS_07072025.pdf

D.Vacancy and Funding Opportunities

Consultancy Service on Midline Survey for SCOPR3-II – Oxfam in Nepal (New)

Oxfam in Nepal is seeking a VAT-registered consultancy firm to conduct a Midline Survey for the SCOPR3-II project, focused on strengthening disaster preparedness, resilient livelihoods, and inclusive local humanitarian leadership in Sudur Paschim Province. The consultancy involves evaluating progress, identifying gaps, and generating evidence-based insights to guide the remaining project phase.

Location: Nepal, Sudur Paschim Province

Deadline: 03 August, 2025

Link for more information: <https://www.jobsnepal.com/consultancy-service-on-midline-survey-for-scopr3-ii-138984>
