

Fostering **Participation of Nepal**
in
7th GPDRR 2022, Bali, Indonesia
23-28th May
(41 days to go)

Presented by: DPNet
12th April, 2022

About GPDRR

- 7th Session of Global Platform will be convened and organized by the UN Office for Disaster Risk Reduction (UNDRR) and co-chaired and hosted by the Government of Indonesia in event will held in Bali, Indonesia.
- GPDRR is the main global forum to assess and discuss progress on the implementation of the Sendai Framework for Disaster Risk Reduction.
- The Global Platform comes at a critical time: seven years after the Sendai Framework was adopted, and just over two years after the COVID-19 pandemic broke out, which has exposed how underlying vulnerabilities and inequities have catastrophic consequences for the most exposed across the world. The pandemic has underlined the critical need of prevention and risk reduction in achieving a sustainable future for all.

GPDRR 2022 THEMES

The Global Platform sessions are organized around three main sub-themes and three cross-cutting themes, which inform the content of the programme.

Main Themes

1. Disaster Risk Governance
2. COVID-19 Recovery
3. DRR Financing

Cross Cutting Themes

1. Sendai Framework Stocktaking
2. Leave no one behind
3. SDGs and climate action

GPDRR 2022 THEMES

From Risk to Resilience: Towards Sustainable Development for All in a COVID-19 Transformed World.

The theme will focus on how the COVID-19 pandemic has challenged the traditional understanding of risk and disaster risk governance. It will explore how the global crisis can be turned into an opportunity for the necessary radical transformation needed to achieve the goal and targets of the Sendai Framework, as well as of the 2030 Agenda.

Pathway to developing the GP2022 Theme

- Global risk updates and emerging new risk (COVID Pandemic).
- Outcomes of previous Global and Regional Platforms.
- Global policy context and links to other international frameworks, in particular the themes of the High-Level Political Forum on Sustainable Development.
- Specific Sustainable Development Goals (SDGs) that will be reviewed.
- Input received from governments and other stakeholders

GPDRR 2022 - Main Events

- Opening and Closing sessions
- Session(s) on Disaster Risk Reduction to tackle the Climate Emergency, Understanding and Governance of Systemic Risk, DRR Leadership and resilient.
- Sharing Global and regional perspectives on implementing the Sendai Framework and Early Warning and Early Action
- Nature Based solutions, multi-hazard - multi-sectoral approaches, disaster risk financing, COVID-19 and about resilient
- Joint Actions to reduce DRR, empowering, strengthening and embedding risk in investment decisions
- Sharing of Official Statements

Other Events

- “The Sasakawa Award” - will honor practices and efforts made by institutions, individuals and groups that have best contributed to building resilience through a multi-hazard approach.

Outcomes

The Global Platform 2022's outcome will provide a unique and timely opportunity to highlight the need of **international solidarity and cooperation**, as well as propose solutions to address underlying risk factors both locally and globally.

Focus

Focus of Each Day

- Day 1: strengthening and managing diversities in DRR and Climate risk, understanding and governance of risk, early warning and action and sharing official statements .
- Day 2: Disaster Risk Financing, Nature based solutions, learning from COVID -19, data challenges, strengthening governance, inclusive and resilient recovery in urban context.
- Day 3: Action on climate and disaster risk, Empowering the most at risk through social protection, Embedding Risk in Investment Decisions, Enhancing Understanding and Management of Disaster Risk in Humanitarian Contexts and Accelerating Financing for Risk Prevention

Program at a Glance

Official Programme

High-Level Dialogues

Ministerial Roundtables

Thematic Sessions

Official statements

Ignite Stage

Learning Labs

Field Visits

Prospective Events for Team Nepal

Fostering Knowledge on Disaster

Ministerial Round Tables

- Scaling-up Disaster Risk Reduction to Tackle the Climate Emergency
- Thinking Resilience: Changing the Approach to Disaster Risk Reduction

Nepal

Prospective Events for Team Nepal

Fostering Knowledge on Disaster

High-Level Dialogues

- The four High-Level Dialogues present an opportunity for representatives from governments, international organizations and other stakeholder groups to share experiences and discuss strategies for accelerating the implementation of the Sendai Framework.

Nepal

Prospective Events for Team Nepal

22 Different Working Sessions on different issues

- 90 Minutes sessions
- Comprises of a moderator and 4-5 panelists

Participation (Open to all Participates) including participants from virtual mode

Prospective Events for Nepal Team

Official Statements

- Governmental official statement
- Non-governmental official statement

GP2022 Official Statements are submitted via the GP2022 website official statement form. Written statements can be submitted to UNDRR between 1 March and 28 May 2022.

Delegations are encouraged to submit their statements **as soon as possible**. Statements submitted at the latest by **1 May 2022** will be available on the website by 23 May 2022. **Statements submitted after this may only be available on the GP2022 website after 29 May.**

Major Events to Participate by Govt. Delegation

- Official Statements (9:00 to 19:00 of May 25)
- Ministerial Round Table (Scaling-up Disaster Risk Reduction to Tackle the Climate Emergency) 15:00 to 17:30 of May 25
- Ministerial Round Table (Thinking Resilience: Changing the Approach to Disaster Risk Reduction Financing) 10:30 - 13:00 of May 26
- Bilateral Meeting (Date and time depend on our communication)

Proposed additional plan (Nepal Team)

- Book a private hall in the hotel at nearby.
- Use the hall as common place to meet, discuss and share the information and to coordinate all the activities
- Present the important paper including position paper among various stakeholders in daily basis
- Utilize the hall as a showcase of Nepalese stakeholders' achievement in the field of DRR
- Publish the presented paper in Prevention Web
- Use Viber, Whatsapp platform to coordinate Nepal Team

Proposed content of Position Paper (option 1)

- Introduction
- Disaster fact sheet
- International commitments and instruments
- National instruments
- Major achievements
- Status of implementation of SFDRR
- Commitments for next two years
- Conclusion

Proposed content of Position Paper (option 2)

Boarder theme of GPDRR Event

- Day 1: Strengthening and managing diversities in DRR and Climate risk, understanding and governance of risk, early warning and action and sharing official statements .
- Day 2: Disaster Risk Financing, Nature based solutions, learning from COVID -19, data challenges, strengthening governance, inclusive and resilient recovery in urban context.
- Day 3: Action on climate and disaster risk, Empowering the most at risk through social protection, Embedding Risk in Investment Decisions, Enhancing Understanding and Management of Disaster Risk in Humanitarian Contexts and Accelerating Financing for Risk Prevention

Proposed content could be align with GPDRR program schedule

1. Progress made since the last Global Platform

- Progress made in implementing Sendai framework
- National and Local DRR Strategies
- Sendai Framework Implementation

Proposed content could be align with GPDRR program schedule

2. Risk Informed Public and Private Investment

- Risk informed investments
- Build Back Better
- Leaving no-one behind (investing in local action and empowering those most at risk)
- DRR investment
- Health issues in DRRM policies
- Promoting locally led DRRM

Proposed content could be align with GPDRR program schedule

3. Climate change action and DRR for all

- National DRR Strategies and Climate National Adaptation Plan
- Role of infrastructure in reducing disaster risk
- Integrating risk management ecosystem and water related risks
- Multi-hazard early warning system
- Achieving climate and disaster resilience

4. Way forward and Conclusion

Proposed content of Position Paper (option 3)

- Background (Including disaster scenario of Nepal)
- Understanding disaster risk (Risk Perception, Risk Assessment, DIMS, capacity building)
- Strengthening disaster risk governance (Strategic action plan for DRR, principles, vision, goal, target, Existing legal and policy framework, Institutional structure, collaboration and partnership, inclusiveness e.g. LNOB, gender & didrr, social security)
- Public Private investments in DRR (Promotion of public and private investment in DRR, Risk Transfer)
- Emerging Disaster like COVID pandemic
- Enhancing preparedness ad promote build back better (Promote Preparedness, MH Early warning system, CBDRR, CBPR, Capacity building in search and rescue, Build Back Better)
- Implementation status of Sendai framework
- Challenges (less investment in preparedness, Coherence in different national and international instruments, prevalence of new forms disaster, urbanization, unprecedented disaster)
- Way Forward (International support for technological transfer, knowledge management)

Official Statement

Issues to be accommodated

The statements are expected to focus on:

- Major achievements and challenges in implementing the Sendai Framework (emphasis on the last two years);
- Progress in achieving the Target e and f;
- Commitments to further accelerate implementation of risk-informed sustainable development

- <https://kemlu.go.id/portal/en/kedutaan>
- Printed copy of application form along with documents listed in the following link should be submitted
- [https://kemlu.go.id/portal/en/page/29/kedutaan konsulat](https://kemlu.go.id/portal/en/page/29/kedutaan_konsulat)
- **Contact for Visa:**
- Mr. Chandra Prasad Dhakal

Address : A.K. Khan & Company Limited. Batali Hills, Chittagong (GPO Box 223), Bangladesh

Phone : (88-31) 613-953, 611-050, 611-052

Visa Application and Travel Related Info

Only Official Statement Left (Nepal Team should come up with single official statement)

Apply for an event

To ensure an inclusive and multi-stakeholder approach to the Global Platform, UNDRR invited partners to shape the informal programme by organizing side-events, taking part in the Innovation Platform and speaking at the Ignite stage.

Please note that applicants for Side Events, the Innovation Platform and the Ignite Stage are now closed. Successful applicants will be informed of the outcomes of the selection process within a couple of weeks.

The registration to participate in GP2022 is still open.

[REGISTER NOW](#)

Side Events

The application process for Side Events closed on 31 January 2022.

Innovation Platform

The application process for Innovation Platform booths closed on 31 January 2022.

Ignite Stage

The application process for Ignite Stage presentations closed on 31 January 2022.

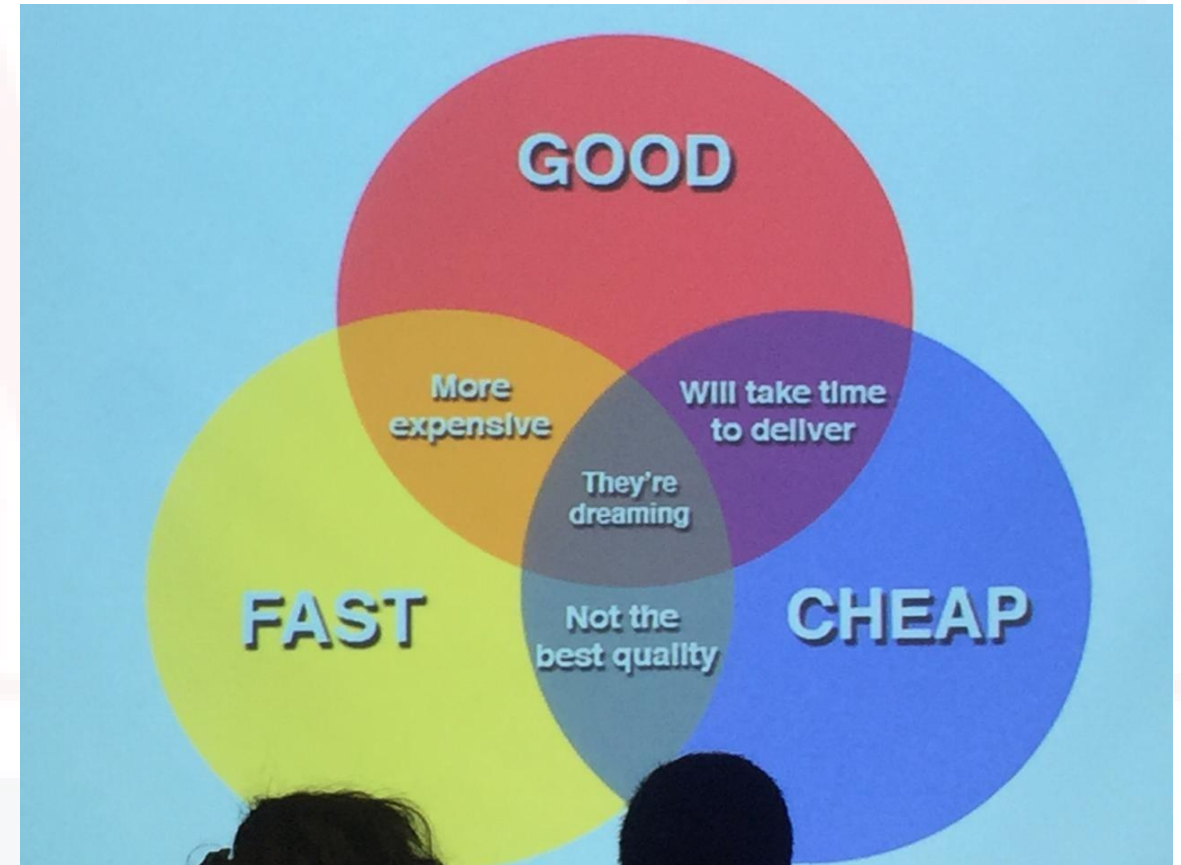

Visa Application and Travel Related infor

Fostering Knowledge on Disaster

As more than 5000 people are visiting alone for the GPDRR event from 13 to 17 there slim chance to get economy ticket in last hour

Resource for GPDRR Nepal Delegation

- No commitment till data
- 41 days to go
- Most of the activities based on financial resources
- We should keep in mind interrelation of good, fast and cheap

Fostering Knowledge on Disaster
