### International Day for DRR, 2021

• The Sendai Seven Campaign is in its 6th year following its launch by the UN Secretary-General in 2016.

#### The **seven targets** focus on

- Reducing-
  - 1. disaster mortality;
  - 2. the numbers of people disaster affected;
  - 3. direct economic losses;
  - 4. damage to critical infrastructure.

The targets for achieving these reductions in disaster losses are:

- Increasing-
  - 5. the number of national and local strategies for disaster risk reduction;
  - 6. international cooperation to developing countries; and
  - 7. the availability of, and access to, multi-hazard early warning systems.
- The focus of this year's International Day for Disaster Risk Reduction is on Target (f): "Substantially enhance international cooperation to developing countries through adequate and sustainable support to complement their national actions for implementation of the present Framework by 2030."
